

Statements required in notice if the proposed tax rate exceeds the no-new-revenue tax rate and the voter-approval tax rate but does not exceed the de minimis rate, as prescribed by Tax Code §§26.06(b-1) and 26.063(c).

NOTICE OF PUBLIC HEARING ON TAX INCREASE

This notice only applies to a taxing unit other than a special taxing unit or municipality with a population of less than 30,000, regardless of whether it is a special taxing unit.

A tax rate of \$0.554697 per \$100 valuation has been proposed by the governing body of DEAF SMITH COUNTY.

PROPOSED TAX RATE: \$0.554697 per \$100

NO-NEW-REVENUE TAX RATE: \$0.542418 per \$100

VOTER-APPROVAL TAX RATE: \$0.554585 per \$100

DE MINIMUS RATE: \$0.554697 per \$100

The no-new-revenue tax rate is the tax rate for the 2024 tax year that will raise the same amount of property tax revenue for DEAF SMITH COUNTY from the same properties in both the 2023 tax year and the 2024 tax year.

The voter-approval rate is the highest tax rate that DEAF SMITH COUNTY may adopt without holding an election to seek voter approval of the rate, unless the de minimis rate for DEAF SMITH COUNTY exceeds the voter-approval rate for DEAF SMITH COUNTY.

The de minimis rate is the rate equal to the sum of the no-new-revenue maintenance and operations rate for DEAF SMITH COUNTY the rate that will raise \$500,000, and the current debt rate for DEAF SMITH COUNTY.

The proposed tax rate is greater than the no-new-revenue tax rate. This means that DEAF SMITH COUNTY is proposing to increase property taxes for the 2024 tax year.

A PUBLIC HEARING ON THE PROPOSED TAX RATE WILL BE HELD ON 08/27/2024 (CT) 09:00 AM (CT) at County Commissioner's Courtroom, 235 E 3rd Street, Hereford, TX

The proposed tax rate is greater than the voter-approval tax rate but not greater than the de minimis rate. However, the proposed tax rate exceeds the rate that allows voters to petition for an election under Section 26.075, Tax Code. If DEAF SMITH COUNTY adopts the proposed tax rate, the qualified voters of the DEAF SMITH COUNTY may petition the DEAF SMITH COUNTY to require an election to be held to determine whether to reduce the proposed tax rate. If a majority of the voters reject the proposed tax rate, the tax rate of the DEAF SMITH COUNTY will be the voter-approval tax rate of the DEAF SMITH COUNTY.

YOUR TAXES OWED UNDER ANY OF THE TAX RATES MENTIONED ABOVE CAN BE CALCULATED AS FOLLOWS:

$$\text{Property tax amount} = (\text{tax rate}) \times (\text{taxable value of your property}) / 100$$

(List names of all members of the governing body below, showing how each voted on the proposal to consider the tax increase or, if one or more were absent, indicating absences.)

FOR the proposal: D.J. Wagner, Chris Matthews, Jerry O'Connor, Mike Brumley, Roddy Allred

AGAINST the proposal: None

PRESENT and not voting: None

ABSENT: None

The 86th Texas Legislature modified the manner in which the voter-approval tax rate is calculated to limit the rate of growth of property taxes in the state.

The following table compares the taxes imposed on the average residence homestead by DEAF SMITH COUNTY last year to the taxes proposed to be imposed on the average residence homestead by DEAF SMITH COUNTY this year.

	2023	2024	Change
Total tax rate (per \$100 of value)	\$0.541326	\$0.554697	2.47% increase
Average homestead taxable value	\$141,150	\$155,389	10.08% increase
Tax on average homestead	\$764	\$861	12.8% increase
Total tax levy on all properties	\$12,805,290	\$13,205,465	3.12% increase

(Include the following text if these no-new-revenue maintenance and operations rate adjustments apply for the taxing unit)

No-New-Revenue Maintenance and Operations Rate Adjustments**Indigent Defense Compensation Expenditures (counties)**

The DEAF SMITH COUNTY spent \$95,012 from July 1 2023 to June 30 2024 to provide appointed counsel for indigent individuals in criminal or civil proceedings in accordance with the schedule of fees adopted under Article 26.05, Code of Criminal Procedure, less the amount of any state grants received. For current tax year, the amount of increase above last year's enhanced indigent defense compensation expenditures is \$95,012. This increased the no-new-revenue maintenance and operations rate by 0.000000/\$100.

GENERAL INFORMATION: Tax Code Section 26.04(c) requires an officer or employee designated by the governing body to calculate the no-new-revenue (NNR) tax rate and voter-approval tax rate for the taxing unit. These tax rates are expressed in dollars per \$100 of taxable value calculated. The calculation process starts after the chief appraiser delivers to the taxing unit the certified appraisal roll and the estimated values of properties under protest. The designated officer or employee shall certify that the officer or employee has accurately calculated the tax rates and used values shown for the certified appraisal roll or certified estimate. The officer or employee submits the rates to the governing body by Aug. 7 or as soon thereafter as practicable.

School districts do not use this form, but instead use Comptroller Form 50-859 *Tax Rate Calculation Worksheet, School District without Chapter 313 Agreements* or Comptroller Form 50-884 *Tax Rate Calculation Worksheet, School District with Chapter 313 Agreements*.

Water districts as defined under Water Code Section 49.001(1) do not use this form, but instead use Comptroller Form 50-858 *Water District Voter-Approval Tax Rate Worksheet for Low Tax Rate and Developing Districts* or Comptroller Form 50-860 *Developed Water District Voter-Approval Tax Rate Worksheet*.

The Comptroller's office provides this worksheet to assist taxing units in determining tax rates. The information provided in this worksheet is offered as technical assistance and not legal advice. Taxing units should consult legal counsel for interpretations of law regarding tax rate preparation and adoption.

SECTION 1: No-New-Revenue Tax Rate

The NNR tax rate enables the public to evaluate the relationship between taxes for the prior year and for the current year based on a tax rate that would produce the same amount of taxes (no new taxes) if applied to the same properties that are taxed in both years. When appraisal values increase, the NNR tax rate should decrease.

The NNR tax rate for a county is the sum of the NNR tax rates calculated for each type of tax the county levies.

While uncommon, it is possible for a taxing unit to provide an exemption for only maintenance and operations taxes. In this case, the taxing unit will need to calculate the NNR tax rate separately for the maintenance and operations tax and the debt tax, then add the two components together.

SECTION 2: Voter-Approval Tax Rate

The voter-approval tax rate is the highest tax rate that a taxing unit may adopt without holding an election to seek voter approval of the rate. The voter-approval tax rate is split into two separate rates:

- Maintenance and Operations (M&O) Tax Rate:** The M&O portion is the tax rate that is needed to raise the same amount of taxes that the taxing unit levied in the prior year plus the applicable percentage allowed by law. This rate accounts for such things as salaries, utilities and day-to-day operations.
- Debt Rate:** The debt rate includes the debt service necessary to pay the taxing unit’s debt payments in the coming year. This rate accounts for principal and interest on bonds and other debt secured by property tax revenue.

The voter-approval tax rate for a county is the sum of the voter-approval tax rates calculated for each type of tax the county levies. In most cases the voter-approval tax rate exceeds the no-new-revenue tax rate, but occasionally decreases in a taxing unit’s debt service will cause the NNR tax rate to be higher than the voter-approval tax rate.

SECTION 3: NNR Tax Rate and Voter-Approval Tax Rate Adjustments for Additional Sales Tax to Reduce Property Taxes

Cities, counties and hospital districts may levy a sales tax specifically to reduce property taxes. Local voters by election must approve imposing or abolishing the additional sales tax. If approved, the taxing unit must reduce its NNR and voter-approval tax rates to offset the expected sales tax revenue.

This section should only be completed by a county, city or hospital district that is required to adjust its NNR tax rate and/or voter-approval tax rate because it adopted the additional sales tax.

SECTION 4: Voter-Approval Tax Rate Adjustment for Pollution Control

A taxing unit may raise its rate for M&O funds used to pay for a facility, device or method for the control of air, water or land pollution. This includes any land, structure, building, installation, excavation, machinery, equipment or device that is used, constructed, acquired or installed wholly or partly to meet or exceed pollution control requirements. The taxing unit's expenses are those necessary to meet the requirements of a permit issued by the Texas Commission on Environmental Quality (TCEQ). The taxing unit must provide the tax assessor with a copy of the TCEQ letter of determination that states the portion of the cost of the installation for pollution control.

This section should only be completed by a taxing unit that uses M&O funds to pay for a facility, device or method for the control of air, water or land pollution.

SECTION 5: Voter-Approval Tax Rate Adjustment for Unused Increment Rate

The unused increment rate is the rate equal to the sum of the prior 3 years Foregone Revenue Amounts divided by the current taxable value.³⁹ The Foregone Revenue Amount for each year is equal to that year’s adopted tax rate subtracted from that year’s voter-approval tax rate adjusted to remove the unused increment rate multiplied by that year’s current total value.⁴⁰ In a year where a taxing unit adopts a rate by applying any portion of the unused increment rate, the portion of the unused increment rate that was used must be backed out of the calculation for that year.

The difference between the adopted tax rate and adjusted voter-approval tax rate is considered zero in the following scenarios:

- a tax year in which a taxing unit affected by a disaster declaration calculates the tax rate under Tax Code Section 26.042;⁴¹
- a tax year in which the municipality is a defunding municipality, as defined by Tax Code Section 26.0501(a);⁴² or
- after Jan. 1, 2022, a tax year in which the comptroller determines that the county implemented a budget reduction or reallocation described by Local Government Code Section 120.002(a) without the required voter approval.⁴³

Individual components can be negative, but the overall rate will be the greater of zero or the calculated rate.

This section should only be completed by a taxing unit that does not meet the definition of a special taxing unit.⁴⁴

The de minimis rate is the rate equal to the sum of the no-new-revenue maintenance and operations rate, the rate that will raise \$500,000, and the current debt rate for a taxing unit.⁴⁴ This section should only be completed by a taxing unit that is a municipality of less than 30,000 or a taxing unit that does not meet the definition of a special taxing unit.⁴⁵

SECTION 7: Voter-Approval Tax Rate Adjustment for Emergency Revenue Rate

In the tax year after the end of the disaster calculation time period detailed in Tax Code Section 26.042(a), a taxing unit that calculated its voter-approval tax rate in the manner provided for a special taxing unit due to a disaster must calculate its emergency revenue rate and reduce its voter-approval tax rate for that year.⁴⁸

Similarly, if a taxing unit adopted a tax rate that exceeded its voter-approval tax rate, calculated normally, without holding an election to respond to a disaster, as allowed by Tax Code Section 26.042(d), in the prior year, it must also reduce its voter-approval tax rate for the current tax year.⁴⁹

This section will apply to a taxing unit other than a special taxing unit that:

- directed the designated officer or employee to calculate the voter-approval tax rate of the taxing unit in the manner provided for a special taxing unit in the prior year; and
- the current year is the first tax year in which the total taxable value of property taxable by the taxing unit as shown on the appraisal roll for the taxing unit submitted by the assessor for the taxing unit to the governing body exceeds the total taxable value of property taxable by the taxing unit on January 1 of the tax year in which the disaster occurred or the disaster occurred four years ago. This section will apply to a taxing unit in a disaster area that adopted a tax rate greater than its voter-approval tax rate without holding an election in the prior year.

Note: This section does not apply if a taxing unit is continuing to calculate its voter-approval tax rate in the manner provided for a special taxing unit because it is still within the disaster calculation time period detailed in Tax Code Section 26.042(a) because it has not met the conditions in Tax Code Section 26.042(a)(1) or (2).
